Additional questions

1. Have the board members acknowledged that they have read and understood the mission of the public authority?

Yes

2. Who has the power to appoint the management of the public authority?

Board

3. If the Board appoints management (Executive Director), do you have a policy you follow when appointing the management of the Board?

The Governance Committee has a practice in this regard, whereby it annually reviews management and recommends appointment by the full board of directors

4. Briefly describe the role of the Board and the role of management in the implementation of the mission.

The Board of Directors provides oversight and sets strategy, while management performs day-to-day responsibilities to implement the agency's mission.

5. Has the board acknowledged that they have read and understood the responses to each of these questions?

Yes
